

## **GREAT AYTON PARISH COUNCIL**

Minutes of the monthly Parish Council meeting held at The Discovery Centre on Tuesday 5<sup>th</sup> August 2025 7pm.

**Present:** Cllr Baylin, Cllr Greenwell, Cllr Greer, Cllr Healy Dufosse-Belton, Cllr Kirk (Chair) and

**In Attendance:** Angela Livingstone (Clerk), Lee Marley (Cemetery and Services Superintendent), 4 residents.

**25.82 Apologies for absence** Apologies for absence were received from Cllr Blackmore & Cllr Mason. Reason for absence were accepted. There were no declarations of interest.  
NYC Cllr Moorhouse had sent her apologies. There had been no contact from the Police.

**25.83 Minutes from the Parish Council Meetings held on Tuesday 1<sup>st</sup> July 2025.**

It was RESOLVED to APPROVE the minutes of the Parish Council meeting held Tuesday 1<sup>st</sup> July 2025 as a true and accurate record. Minutes were signed by the Chair.

**25.84 Police report**

25.84.1 1st June – 30th June - ASB Nuisance: 4, Criminal Damage: 1, Residential: 2, Theft (including from shops): 10, Auto crime/SMV: 2, Violence Against the Person: 7, Other crimes: 1. Total This Period: 27. 1st July – 31st July ASB Personal: 3, ASB Nuisance: 5, Theft (including from shops): 1 – theft of fuel, 4 – Co-op, Violence Against the Person: 4. Total This Period: 17. Councillors discussed their concerns with the ongoing thefts in the Co-op, it was noted that Police had recently shown an image of a shoplifter from the shop and it was hoped that the CCTV was now in full operation. A resident informed of a theft of a charity box in Petch's, she advised that shops were talking of a ring round service between them to inform other shops if there were any issues in the village. Cllr Moorhouse had reported to the Clerk that a member of the public advised that an area on Roseberry Crescent was being used for smoking illegal substances. Clerk to report to Police. **ACTION: Clerk**

**25.85 Report from NYC Councillor** – Cllr Moorhouse had informed that she had reported the recent fly tipping of white goods. Overgrowth on Station Road towards the railway station had also been reported. Cllr Greer reminded of the email from NYC on 9<sup>th</sup> June which advised of a site visit to see the poor resurfacing of Station Road, a reply was still awaited. Councillors discussed their dissatisfaction with the response from the freedom of information request to find records on road sweeping. It had been advised that no records were kept and that going forward this was being introduced. NYC informed that sweeping would be on a 16-week schedule. Councillors questioned if the issues would continue with the size of vehicle used becoming too full to enable the round to be completed. RESOLVED: Clerk to question the date for the next sweep in Great Ayton and if there was provision if the vehicle returned to the depot before completing the round. The matter would be monitored to ensure the village was being serviced adequately in the future. **ACTION: Clerk**

**25.86 Allotments**

25.86.1 Update on COF application and Allotment Implementation Committee – The Chair stated that Highway objections were currently holding up the planning application, a speed survey had been completed, but he had not yet been able to speak with the developers to find information on the report. He was aware of concerns that the layout would create a crossroad affect from the allotment land and across to Langbaugh Hall properties. Highways had requested a footpath from the suggested entrance to the bus shelter, due to the path width requested this may require a change to the hedge and an impingement onto the plots. If there were changes to the plan Councillors agreed that this was acceptable as long as this was compensated for with the same amount of land. The Chair had drafted a head of agreement which included some different possibilities subject to negotiation or agreement. This included provision that if access was not achievable as per the current planning application, there was a request for an immediate sale of the allotments to the Parish Council to ensure the grant date was met, with a side agreement that any size of land required for access period was replaced by an equal size of land on their site. It was agreed that the allotments would require removing as an asset of community value, it was believed that this was a 6 week period of time, this would allow for the planning application approval, if the Parish Council acquired the allotments they would

immediately become an asset of community value. **RESOLVED:** Parish Councillors approved the purchase heads of agreement information given and the Chair would forward document to Clerk to forward to the developer. Clerk to report progress to the COF Team, she would request process information and progress the withdrawal of the allotments as an Asset of Community Value to allow purchase. **ACTION: Clerk**

25.86.2 Tenancy Agreement – To approve changes mid-year to include provision of locked gates from approx. 1.9.25, gates must always remain locked except when opened to pass through and tenants must ensure locks are not damaged. If a tenant is found in breach of this item on the tenancy agreement on more than one occasion the tenancy will be immediately terminated. The regulation on family dogs to be tightened to ensure dogs were kept on leads and a reminder of the PROW route with other areas not to be accessed. **RESOLVED:** Approved and to be circulated to tenants and updated on the website. **ACTION: Clerk**

25.86.3 Allotment report – Allotment current matters report provided - Complaint - regarding staff member, being progressed, meeting to be held with tenant. Report of bonfire with black smoke, video received, and tenant identified, to be progressed. New requests for allotments being progressed. One plot let and several plots returned due to inability to maintain. Mr Marley informed that he had commenced cleaning a number of allotments which had been handed back most with items of rubbish left. One of these had taken five days to clear at the end of last year and it was being handed back in a very poor state with glass, plastic, concrete and wood on it. He reported that there would be a large bill for skips this winter as a further allotment vacated allowed access to some back gardens which had been left due to their poor state and the lack of access to clear these. Councillors discussed the issues faced; it was agreed that there was the need to be stricter with the tenancy agreement regulations and ensure new tenants were aware of these. When a tenant accepts a plot, a photograph should be taken, it would be the tenants' responsibility to maintain what was there and to submit requests for any new structures. The tenancy agreement showed that *"on termination of the tenancy the Tenant should remove any shed, greenhouse or other structure erected in the allotment garden, unless the Parish Council agrees otherwise following inspection. The plot must be left in a tidy and clean condition suitable for immediate re-letting. If work has to be carried out by the Parish Council the deposit payment will become forfeit, and the Parish Council is entitled to recover compensation to make good the land"*. Mr Marley advised that there were still some taps to be removed which would be actioned when he had time. A follow up meeting would be held shortly to look at progress since the previous inspection.

**ACTION: Clerk/Mr Marley**

25.86.4 New gate and locks – Wooden gate being progressed for Skottowe entrance and locks to be installed on all gates by Cllr Baylin. Keys to be purchased by the Clerk with some spares held when numbers known and Clerk to organise distribution. **RESOLVED:** Costs approved for the gate via email which was ratified at the meeting. **ACTION: Cllr Baylin/Clerk**

Costs for the gate for the pedestrian access from Guisborough Road had been obtained £342.50 + vat for 4foot 6in galvanised metal gate which opens both ways, no fixings as all in as a complete gate. Plus 5 bags of postcrete. **RESOLVED:** Costs approved. **ACTION: Mr Marley**

*Four residents left the meeting.*

## 25.87 Lease approval

Village Hall and Yatton House lease – The Village Hall representative has now indicated that they are happy with the licence and will be taking this to their September meeting. Yatton House trustees made a decision to appoint legal advice on 16<sup>th</sup> July.
