

GREAT AYTON PARISH COUNCIL

Minutes of the monthly Parish Council meeting held at The Discovery Centre on Tuesday 4th November 2025 7pm.

Present: Cllr Blackmore, Cllr Greenwell, Cllr Greer, Cllr Kirk (Chair) and Cllr Mason.

In Attendance: Angela Livingstone (Clerk), Lee Marley (Cemetery and Services Superintendent), Cllr Moorhouse (NYC Cllr), 3 residents.

25.114 Apologies for absence Apologies for absence were received from Cllr Baylin and Cllr Healy Dufosse-Belton. The reasons for absence were accepted. There were no declarations of interest.

25.115 Minutes from the Parish Council Meetings held on Tuesday 7th October 2025.

It was RESOLVED to APPROVE the minutes of the Parish Council meeting held Tuesday 7th October 2025 as a true and accurate record. Minutes were signed by the Chair.

The Chair invited residents in attendance to bring forward any concerns and the following matters from the agenda were discussed out of order.

25.116 Police issue

25.116.1 The owner of an Indian takeaway in the village informed that she had hoped that the Police would attend the meeting and would investigate. She advised of issues with her neighbour sending the Police to her business advising them of fighting. There was no fighting, and the business had a good reputation. Her staff were stressed with the Police questioning and she asked for support from the community, she was considering closing the business which had 10 employees. It was agreed that the takeaway had been in the location for a substantial time and the neighbours had been aware of the business when they moved into the property. Parish Councillors gave advice on speaking with the Police on the matter.

2 residents left the meeting.

25.118 Allotments

25.118.1 A resident involved with the Allotment Implementation Committee gave updates. She informed that a decision on the planning application was not expected until well into next year. It was agreed that this would pass the deadline for the COF grant, despite requesting an extension on this it had been found that there was no mechanism to extend the timeline for the grant. Therefore, the grant monies would not be achieved and the only funds available would be the match funded monies which the Parish Council held. It was hoped that Highways would approve a way forward. S106 monies would be available for the compensation for the loss of land. It was advised that additional fundraising would commence. The idea of a charitable group with the Parish Council as a Trustee was being looked at. Cllr Moorhouse informed that she had spoken with the Planning Department and found that there were still many items required which were holding up the application from both the developers and planners. It was felt that the community needed to be informed that the COF grant was not attainable due to the timeline but that other avenues were being explored, and fundraising was to continue. It was advised that there had been an offer of a free summerhouse, this had been an item which had been considered to be purchased for the Community Garden. It was asked if permission could be given for this. The Clerk informed of the need for this to be an application from the plot holder and treat as a normal allotment tenant requesting a structure. It was advised that an Allotment Association AGM was being held on 6th November and that the problem of rats emanating from the proposed Community Orchard would be discussed. It was hoped that new members would be attending and that they would help with work to the plot.

1 resident left the meeting.

25.116 Police report - 25.116.1 discussed earlier in the meeting.

25.116.2 1st–30th September- ASB Personal: 3 (Social Media Related/Horse Riding), ASB Nuisance: 7 (Off Road Bikes/Car Parking/Neighbour Issues), ASB Environmental: 1 (Littering), Residential: 3 (Sheds detached from the dwellings on Roseberry Crescent), Theft (including from shops): 2 (Personal/Bilking), Violence Against the Person: 4. Total This Period: 20. No police report received for October.

25.116.3 The Chair informed of concerns within the village with many youths congregating and creating issues at the Co-Op, convenience store and at the museum, the Police had been called. Cllr Blackmore advised of an increase in youths in the alleyway throwing food and rubbish. She believed that there were a group from the village aged 11 to 12 years old along with friends met from Stokesley Secondary, she had not witnessed the offences and not reported anything. All in attendance were encouraged to report any matters to ensure that concerns were logged and a picture built. Cllr Moorhouse informed of a Police session at the Discovery Centre on 24th November at 10am.

25.117 Report from NYC Councillor – Cllr Moorhouse informed that there was a large spend on care and adult services, but that North Yorkshire Council had been rated joint third in the whole country with 81 out of 100 points. She confirmed that issues highlighted by residents and the Parish Council regarding hedges and grass cutting had been looked at and it was agreed that the Parish Council did not own or maintain the areas. There were other areas maintained by the Parish Council on behalf of NYC, these were well kept and cut on far more occasions than the payment required. Cllr Moorhouse advised that NYC would only cut hedges where there was a danger. They would not just cut to ensure this looked smart. The Parish Council discussed the three issues which had received complaints from residents including grass next to 149 Newton Road and hedges in front of bungalows on Guisborough Road and behind 37 Easby Lane and agreed that a precedent could not be set where the Parish Council were expected to cut all areas. The other concern regarding a lack of road sweeping which was blocking drains was discussed and Cllr Moorhouse informed that this was a known concern and if there was a safety matter then sweepers would be sent, she was still progressing this.

Cllr Moorhouse left the meeting.

25.118 Allotments – 25.118.1 discussed earlier in the meeting.

25.118.2 Update on COF application and Allotment Implementation Committee – It was agreed that the formal committee who had been dealing with the application and implementation could not achieve what it had been set up to do, therefore the committee was no longer required and would be defunct. If a new committee was required in the future this would be organised.

25.118.3 Allotment current matters report provided – **GAPC Team** had stated a concern of increased needs for rat poisoning on the allotment, mainly centred around the proposed Community Orchard due to the overgrown garden and due to tenants with too many chickens. **Complaint** Fire on plot 61a/c left unattended 30.10. **Issues on allotments** Fly tipping on allotment site following gates being locked 11.10, Wooden gate post damaged at gate 21.10, Glue in gate lock part replaced to fix. The team had cleared a lot of the fly tipping and moved heavy stones to block the gap where the post was damaged, and a new part had requiring purchasing for the lock. **Gardens vacated** 69a2 **Requests for gardens to rent** New requests for allotments processed following Facebook post on vacancies, three still to allocate – Plots rented this month - 10a, 23b1, 45a/b, 60d, 62b, 69a2. All payments had now been received for all allotments for the year, a huge improvement from 2 years prior when there were many payments chased until the new year. £12 was still outstanding from 38a/39a. **Requests from tenants** Requests for keys for new gates from a number of tenants. Request from new tenant on 62a2 to erect small shed and have 3 chickens – **Approved**. The Clerk reminded that a quarterly inspection was due and would be organised, this would include looking at the number of chickens on plots. Mr Marley informed that he was aware that Great Ayton was the only allotments where rat treatment was included and this could be added to rent costs for those with chickens or gardens which would attract rats. **ACTION: Clerk**

25.119 Lease approval

Village Hall and Yatton House lease – awaiting further instruction.

25.120 Planning Matters

25.120.1 Planning applications – Consultation Responses. –Councillors discussed applications and the following was agreed.

Application ref / Address	Description of Works	Parish Council responses

25.123.2 Budget consideration

To consider items required on the budget in advance of the precept demand in December.

The Clerk informed of the need to include funding for a tree survey and works to trees, to include the trees behind the village hall. GAPC team to look at the trees here to see if these could be cut safely by the team. Funds to be included for the purchase of a suitable storage unit with a cost of around £20,000 to ensure that there was secure storage which supported the current H&S concerns. Councillors to inform if they felt any additional items needed consideration.

ACTION: Councillors / Clerk

25.124 Meeting Dates for 2026

The Clerk informed that the first Tuesday of the month fell on the following days in 2026. 6th January, 3rd February, 3rd March, 7th April, 5th May, 2nd June, 7th July, 4th August, 1st September, 6th October, 3rd November, 1st December.

It was agreed that due to bank holidays some dates would change, and the following dates were agreed for 2026 - 13th January, 3rd February, 3rd March, 14th April, 12th May, 2nd June, 7th July, 4th August, 8th September, 6th October, 3rd November, 1st December. Clerk to inform the Discovery Centre of the booking.

ACTION: Clerk

Exclusion of the Press and Public - In accordance with Paragraph 1 (2) of The Public Bodies (Admissions to Meetings) Act 1960, the Parish Council can RESOLVE that the press and public be excluded from the meeting if required.

Next Meeting – Tuesday, 2nd December 2025 7pm at the Discovery Centre.
